

# Colorado Farm to School Task Force: Roadmap, January 2012

Updated on 01/17/2012

## Mandate:

- **Pilots:** Create/expand farm to school pilots
- **Producers:** Develop, design, make available training for producers on marketing, crop production, post-harvest handling of crops, food safety, business management, liability and risk management, contracting, and processing.
- **Food Services:** Assist school food services to establish procedures, recipes, menu rotation, proper handling, preparing, storing, and other internal processes.
- **Facilities:** Inform school districts on methods for improving facilities.
- **Funding:** Identify funding sources/grants for SDs

**Note:** Many other activities are underway statewide to help achieve key preconditions to implementation of Farm to School. The efforts highlighted in red boxes represent those groups addressing a precondition that is largely not addressed by the Task Force, but recognized as important by the Task Force.
